CORPORATE SPONSORSHIP

We invite you to be a part of the Ohio University Society of Women Engineers and help support our organization & members in our mission of empowering professional engineers to succeed and advance in engineering as well as guiding girls towards careers in Science, Technology, Engineering and Math (STEM)! Studies show that early influences make an enormous impression on girls. Our goal is to help shape an academic interest in STEM disciplines in high school and college, leading to careers in these fields. Your support will help guide young women in viewing engineering and science as a life-long passion. The money you contribute to our chapter is greatly appreciated. Unless stated otherwise below, the monetary donation you make is used for general funds to support our conferences and many community service and outreach activities. See the bullet points for benefits of each sponsor level.

Please indicate below the amount you would like to donate.

_____ Platinum Sponsorship (\$2,000+)

- Company Information Included on Handout given to all members
- Company Logo and Link on Section Webpage
- Company name and logo on primary outreach/ volunteering event documents
- Opportunity to Speak at a General Body Meeting
